HQTS
Quality Solutions With You Every Step

RENEWABLE ENERGY SECTOR

Quality Control Services

ABOUT HQTS

Headquartered in China with regional offices in India, Vietnam, The United Arab Emirates and more, and multiple service locations around the world, HQTS provides supply chain quality solutions to companies across a range of industries, virtually anywhere in the world.

Our services include pre-dispatch inspections, audits, QHSE management, production process management, production monitoring, training, technical consulting, and more.

Founded in 1995, HQTS Group is a leading provider of quality control services.

HQTS is your one-stop total quality partner delivering fast, reliable, customisable services in the renewable energy sector at a great value.

SOLAR ENERGY

PRE-DISPATCH INSPECTIONS

Our technical inspectors will inspect the items at the supplier-end before shipment to ensure that the goods conform to the acceptable norms and applicable standards.
